Message

I congratulate all the winners of the **Time2Leap Awards-MSME Edition** being organized by **Summentorpro Consultants**. The professional excellence of each recipient, I am sure, will boost the MSME and Start-up sector to create the right ecosystem for making India as a 'Make in India Hub'.

The role of domain expert consultants with adequate exposure to and experience in varied nuances of modern-day business for providing much needed hand-holding support to MSMEs and Start-up entities can scarcely be over-emphasized. I am glad that Summentorpro has been providing a conducive platform to the MSMEs and Start-up businesses for their excellence and growth.

I once again felicitate those who have done commendable work in the MSME business segment and by their sheer innovation and hard-work, they have become role model for others. I wish the achievers all success in their endeavors.
